

Ozarks Healthcare

1100 Kentucky Ave, West Plains, MO 65775

[\(417\) 256-9111](tel:(417)256-9111)

West Plains is served by a vibrant, modern medical community, including the 114-bed Ozarks Healthcare, which serves an 11-county area in south central Missouri and north central Arkansas. Interventional cardiac care, open-heart surgery, women's health services, oncology, and neurosurgery are just a few of the high-tech services offered Ozarks Medical Center, giving area residents the option of staying close to home while receiving the care they need.

Southern Missouri Community Health Center

1137 Independence Dr, West Plains, MO 65775

[\(417\) 255-8464](tel:(417)255-8464)

The goal of Southern Missouri Community Health Center (SMCHC) is to improve access to basic health services, to deliver compassionate, caring and respectful care to its patients and to improve the health and well-being of the community as a whole. SMCHC provides comprehensive primary healthcare to patients of all ages; mental health counseling to children, adolescents, adults, couples, and groups; and dental health services to children through age seventeen.

SMCHC has become a healthcare home for hundreds of patients with and without insurance, patients with chronic conditions and those seeking treatment for an acute ailment.

West Plains Christian Clinic

1115 Alaska Street, Suite 212 West Plains, MO 65775

The West Plains Christian Clinic seeks to improve the quality of life of the medically uninsured people in the West Plains Community by providing no cost general medical care, preventative medicine and health education, and by making available spiritual counseling to those who seek it. The West Plains Christian Clinic seeks to meet the needs of the medically uninsured without regard to race, religion, or creed of those who seek its services.

Pediatrics Clinic of West Plains

312 Kentucky, West Plains, Mo 65775

[\(417\) 257-7076](tel:4172577076)

Pediatrics Clinic Of West Plains is a local pediatric practice that understands how important your child's health is. Patients at our practice have access to expert pediatricians who can coordinate and oversee medical care for infants, children, and adolescents. At our clinic, our health professionals are all dedicated to ensuring that your child stays in the best possible health.

Our practice covers all areas of pediatric care, from immunizations to check-ups and physicals to treatment for the flu. We're also great about making the experience of going to the doctor a pleasant one for children of all ages!
