

## **JOB POSTING**

### **Greenskeeper**

The City of West Plains is now accepting applications/resumes for the position of Greenskeeper for the 18-hole North Terra Municipal Golf Course in West Plains, Missouri. West Plains is a growing community of more than 11,000 residents serving a multi-county regional trade area of more than 100,000 people located in South Central Missouri. The full-time position will be responsible for keeping grounds and turf of the golf course in playing condition and maintaining all day-to-day operations outside of the Pro Shop, as directed by the Golf Course Manager. Applicants should have excellent customer service skills and demonstrate a mastery of golf course maintenance, including the proper care of golf greens and tees, appropriate watering of greens and fairways, the accurate chemicals for course maintenance, and the ability to supervise employees and activities on all developed and undeveloped areas pertaining to the golf course property. Hourly salary range is \$16.42 – \$26.27 but commensurate with education and experience. Position offers an excellent benefit package with opportunities for professional growth in a supportive environment. Applicants may send their resumes directly to [todd.shanks@westplains.gov](mailto:todd.shanks@westplains.gov), apply online at [westplains.gov](http://westplains.gov), or pick up or drop off applications/resumes at West Plains City Hall 1910 Holiday Lane. The City of West Plains is an Equal Opportunity Employer
