West Plains Fire & Rescue is requesting quotes for concrete installations at the following facility :

West Plains Fire & Rescue Training Facility @ 1620 Girdley West Plains, MO 65775

Concrete should be a minimum of 6 inches with steel reinforcement, or the recommendation of the contractor, except around fire hydrant. Concrete could have up to a 70,000-pound fire apparatus on it at any given time. Depending on quotes received the project measurements may be scaled back. Please quote with and without excavation and ground preparation. Some type of drainage will need to be provided to allow water runoff from under the current training tower. The below image in blue is the requested site layout.

For inspection of site please contact: Assistant Fire Chief Chris Sterner 417-256-2424 (office) or email to chris.sterner@westplains.gov

SEALED BIDS MUST BE PHYSICALLY RECEIVED IN THE CITY CLERK'S OFFICE PRIOR TO 3:00 PM ON Tuesday, April 9th, 2024. Bids will be opened by the buyer at the location listed above.

- Bids shall be submitted on the forms provided and must be manually signed by the individual authorized to legally bind the company.
- Bids shall be submitted with "Fire Station #1 Concrete" clearly indicated on the outside of the mailing envelope.
- Bids received after the opening date and time will be rejected.

You are invited to submit your bid to furnish the materials and/or services described herein. Please submit your prices/fees net of all discounts.
