Ref: Purchase Crime Scene Van

Executive Summary

The Police Department is requesting to purchase a 2025 Ford Transit AWD Van.

Discussion

The current crime scene van is a 1998 diesel ambulance that was converted to fit the needs of its current use. The new Transit van will be up-fitted to be more job specific for the purpose of crime scene support to include lighting, shelving and processing table.

Fiscal Impact

The estimated money needed for this project including striping, LED lights and shelving is expected to be around \$60,000.00. Corwin was low bid for the van at \$51,609.00.

The funding for the project will come from the donated money the department received last year in the amount of \$91,709.04.
