Re: Surplus Vehicles

Executive Summary

The Parks Department recommends the following vehicle be declared as surplus and disposing of said assets in accordance with city code.

Discussion

After the purchase of a new Parks Department vehicle this year, a review of vehicles by the Shop department has determined that the following vehicle is no longer needed or useful to the departments.

Department	Year	Make/Model	VIN/Serial
Parks	2007	Chevrolet Silverado 1500	1GCEC14X68Z121102

Fiscal Impact

Revenue from sales of surplus property is included in the annual budget and any proceeds from the sale of assets are returned to the appropriate fund.
